* I was hoping that I need no longer go out to the nations and be present witnessing. I was hoping that my Father consents with my desires: to stay home, meditate, love Him, meet Him in writing, meet Jesus in the Holy Eucharist and thus avoid crowds.

Yet I fear, O my Yahweh, my Abba and my own.
My soul yearns and pines away for Your
House and
all I long for now is to be with You.
So do not ask me why my
spirit is downcast,
since my sighs are no secret for You and all
that I sigh for is known to You:
my soul awaits You, my Yahweh,
come and invade me;
come and consume me.

it moves gently but steadily.

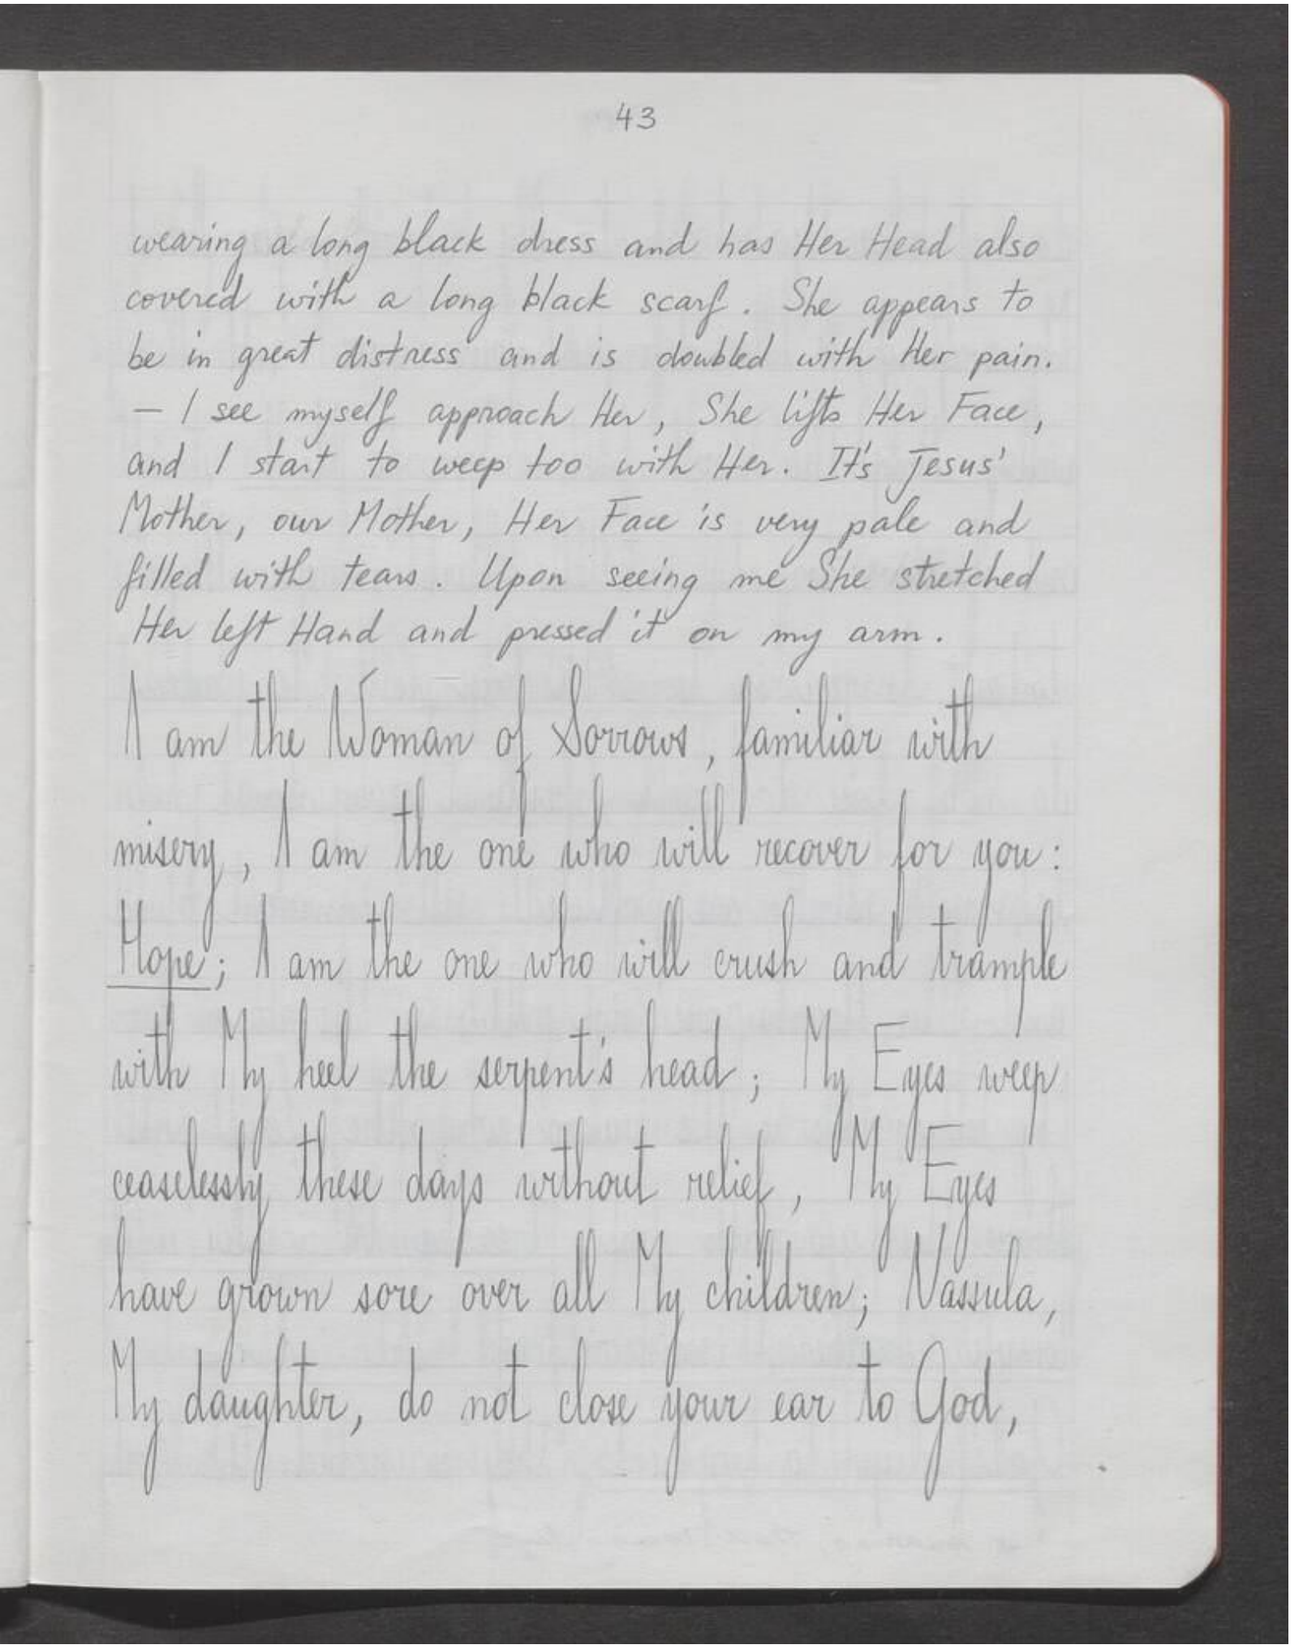
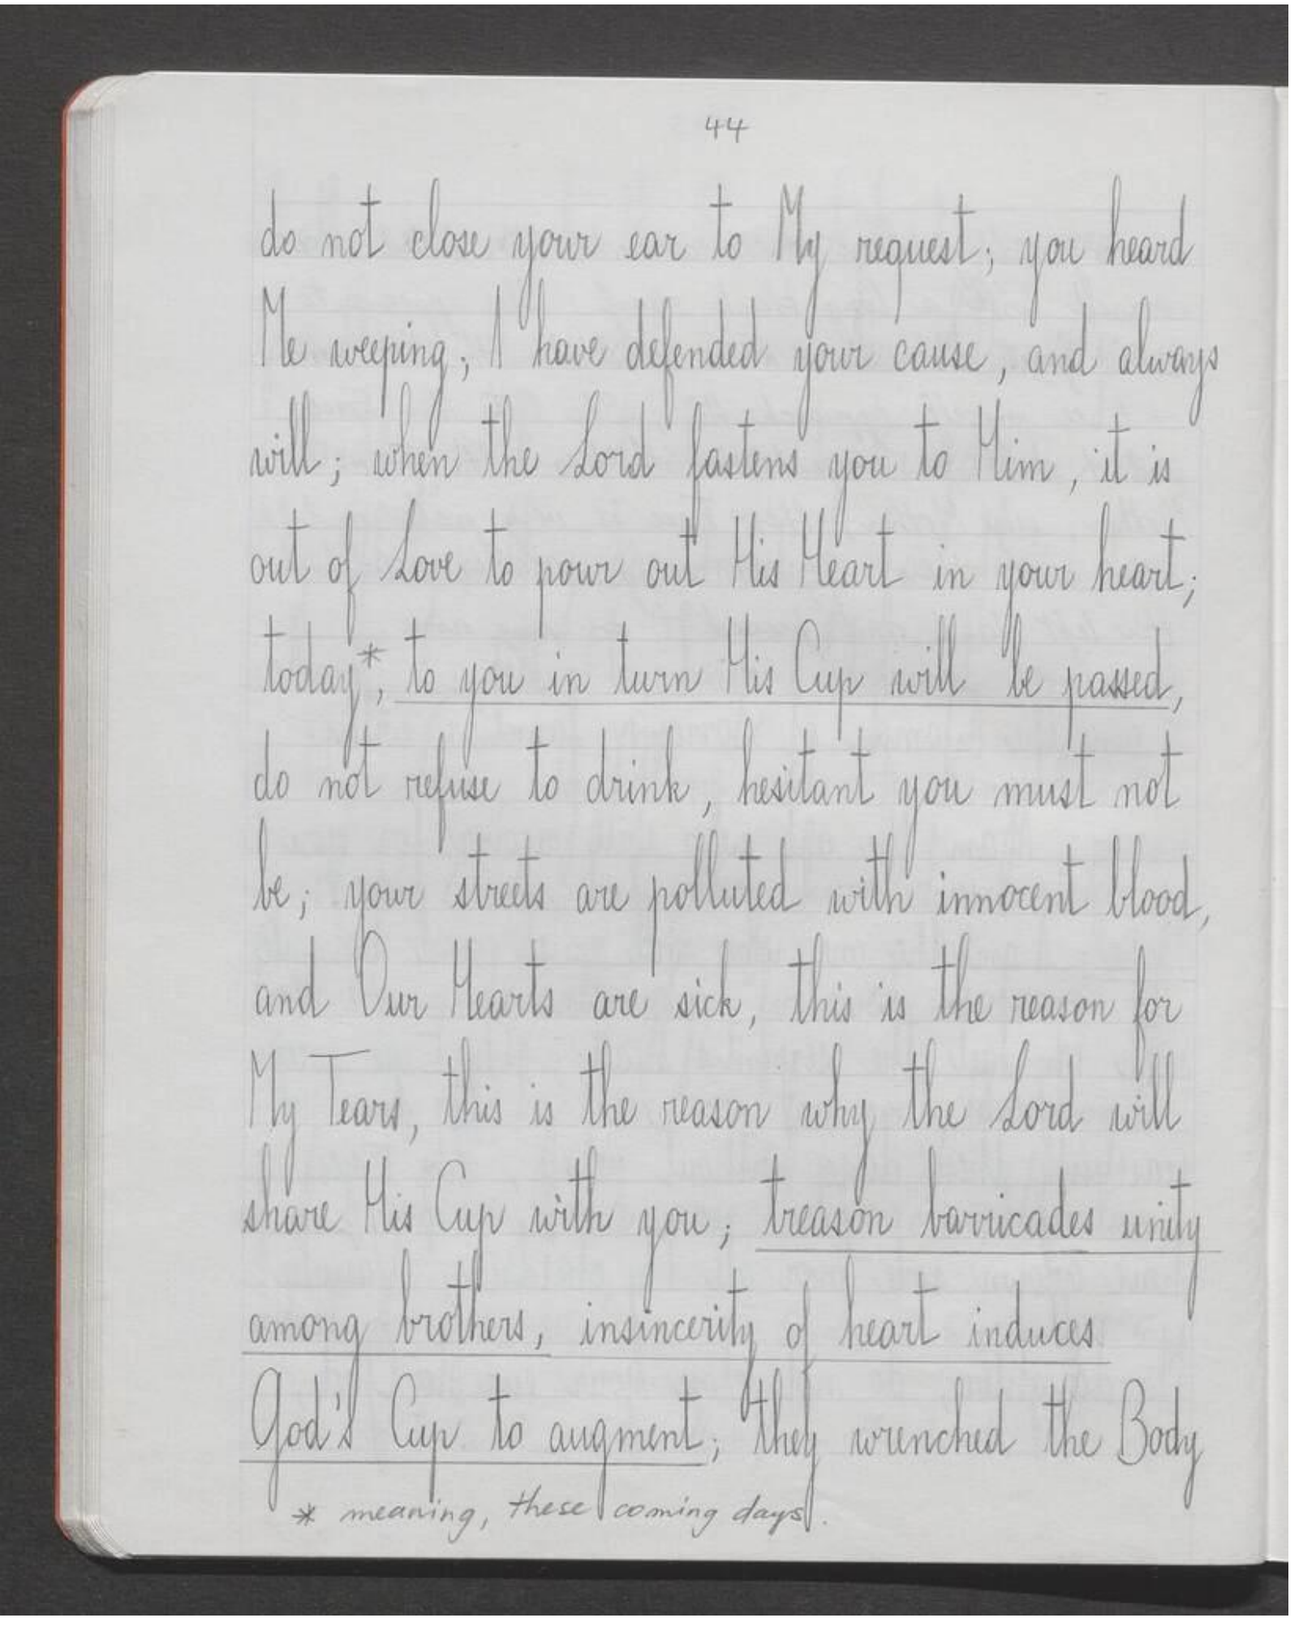
what do you see?

O Lord, a Woman, sitting
on a white rock. I see Her from the back, She's



wearing a long black dress and has Her Head also covered with a long black scarf. She appears to be in great distress and is doubled with Her pain. — I see myself approach Her, She lifts Her Face, and I start to weep too with Her. It's Jesus' Mother, our Mother, Her Face is very pale and filled with tears. Upon seeing me She stretched Her left Hand and pressed it on my arm.

I am the Woman of Sorrows, familiar with misery, I am the one who will recover for you: Hope; I am the one who will crush and trample with My heel the serpent's head; My Eyes weep ceaselessly these days without relief, My Eyes have grown sore over all My children; Vassula, My daughter, do not close your ear to God,



do not close your ear to My request; you heard
Me weeping; I have defended your cause, and always
will; when the Lord fastens you to Him, it is
out of Love to pour out His Heart in your heart;
today*, to you in turn His Cup will be passed,
do not refuse to drink, hesitant you must not
be; your streets are polluted with innocent blood,
and Our Hearts are sick, this is the reason for
My Tears, this is the reason why the Lord will
share His Cup with you; treason barricades unity
among brothers, insincerity of heart induces
God's Cup to augment; they wrenched the Body

My eyes are always on You, O my God. The close secret* to You is given to those who love You and fear You.

You have lifted my soul from the pit
to discover Your Sacred Heart's Wealth,

I have discovered
the Peace You Yourself have given us.
In Your Sacred Heart, You allowed my soul

Then in my soul came a brilliant Light, and like a tuneful noise of doves, I heard and felt a Breath slide over my face and You filled me with Your Mysteries.
